The snowfall kept pace with previous years and 2020-21 was the fifth straight season that JHMR received more than 500 inches of snow.

Advanced purchasing is highly recommended.

Solitude Station and Eagle's Rest Quad

With the December 2018 opening of a new lodge, Solitude Station, JHMR continued to debunk the myth that "Jackson

Hole is not for beginners." It is a vast learning complex that is surrounded by beginner terrain, further enhanced with the addition of the family-friendly Eagle's Rest Quad Chairlift. This recently added lift services JHMR's base area. It allows immediate access to Solitude Station's beginner to advanced terrain for a fully rounded learning experience.

Experience JHMR via Mountain Collective and Ikon Pass

As part of its offerings of pass programs, Jackson Hole participates in both Mountain Collective and Ikon pass products. The Ikon Pass gives access to 47 destinations worldwide. It was developed by Alterra Mountain Company. Both offer access to a variety of diverse destinations for pass holders. Both passes provide discounts on lodging and airfare as well. They may be limited, so quickly find the right pass for you.

Kings and Queens of Corbet's is Back

The Kings and Queens invitational event pits some of the world's top skiers, riders and select local rippers against each other. As they compete for the title, "King or Queen of Corbet's," each competitor is granted two runs down Corbet's with only the best run counting toward the grand prize. The 2022 Kings and Queens of Corbet's event is set for Feb. 11-18, 2022.

JHMR asks each of their guests to help them prioritize health and safety. This includes complying with Teton County health orders and carrying a mask with you.

JACKSON HOLE'S WINTER LEGACY CONTINUES with LODGING DEALS, LEGENDARY BARS, RESTAURANTS and "ALL BLUE" TERRAIN

WEST TRENTON, NJ - (Special for SKIER NEWS) - There are many great ski towns in North America but few are like Jackson, Wyo. What ski town gets more visitors in the summer than in the winter? The answer is Jackson Hole, and that provides the beginning for great deals.

Jackson is the gateway to Yellowstone and Grand Teton National Parks, and it bustles with summer tour buses, campers and those passing through the Parks from Montana or Idaho. Compared to summer, in winter the lodging almost grinds to a halt. Until the late 1990s, many hotels and restaurants closed for the winter.

Now, with the successful marketing efforts of Jackson Hole Mountain Resort to get more flights and more guests, Jackson's bars, restaurants and lodges are open for business when the snow falls. Since there is an abundance of rooms, deals are plentiful.

Air Accessibility is the Key

Jackson has nonstop flights from 14 major U.S. cities; Atlanta, Charlotte, Chicago, Dallas, Denver, Houston, Minneapolis, Newark, NY-JFK, LA-LAX, Salt Lake City, San Diego, San Francisco and Seattle. Blackout dates apply and you can earn \$300 airfare credit, per person, call 1-888-838-6661.

The airport (JAC), with its recently completed new luggage system and \$30 million dollar expansion over the last few years, now presents a most efficient and comfortable arrival and departure experience. Jackson Hole Mountain Resort is a short 30-minute drive from the airport. It offers convenience and proximity to one of the most beautiful winter playgrounds. Solitude Station: The New Standard in Learning

Solitude Station is the latest offering in Jackson Hole's continued devotion to skier progression and the family experience. The newest on-mountain center for learning and growing at JHMR for kids and adults alike, Solitude is located a short 2-minute gondola ride from the base area. The expansive lodge at the Sweetwater Gondola mid-station, thoughtfully designed with 12,000 square feet of dining, rental, and the Mountain Sports School home base, is a premiere amenity for many guests looking to improve their skiing and riding. It is geared for kids ages 7 and up, as well as families and group lessons. Solitude Station is designed to maximize learning development in an empowering and constructive atmosphere. This is a state-of-the-art concept unique to Jackson Hole and its unmatched mountain environment.

The building is open for family après experiences at peak times of the year and available for private events in both summer and winter.

(Please continue at the far upper right with the "All-new, All-blue" information)

JACKSON HOLE, WY - Not many ski towns have a day off experience like Jackson's National Elk Refuge. Thousands of elk return each winter as they are fed until spring when their higher habitat food source returns. Bundle up and sleigh ride, via a private contractor Double H Bar, Inc., right into the elk herd. The National Elk Refuge also offers educational and daily programs at the Jackson Hole and Greater Yellowstone Visitor Center. Please call (307) 733-0277 to book your ride.

All-new, All-blue a Big Success

The buzz around the mountain a few years back was the creation of an "all-blue" section of the mountain in the Casper area. In a effort to make intermediate skiers more comfortable on the mountain and to continue to broaden the appeal of Jackson Hole Mountain Resort, a new, high-speed, four-passenger detachable chair opened in December 2012, the new Casper High-Speed Quad.

Along with the new lift, extensive grooming, expanded and improved this classic blue terrain. This created a completely new experience to this previously under used area.

The new Casper area was well received when it opened in 2012-13. In 2013-14, another snow cat was added to the fleet to increase grooming capacity even further. This intermediate playground has its own on-mountain restaurant to add to the convenience. And now, there is more access from the higher Casper Lift, Sweetwater Gondola and new Eagles Rest quad.

Jackson has 4,139 vertical feet of awesome trails spread out over 2,500 acres, half of which are beginner and intermediate terrain. You will have a large number of trails to pursue regardless of your ability. If you are in doubt about which groomed trails are the best for your ability, they offer complimentary Mountain Host tours to acquaint you with the mountain.

In the 2015-16 season, Jackson added the The Teton Lift, a high-speed quad that expanded in-bounds terrain and added 200 acres in-bounds skiing. This amounted to the addition of 1,620 vertical feet above Jackson's Après Vous area.

Unique Dining in Jackson

Cowboy and Old West themes abound at the eating establishments along the Town Square. These include the famous Wort Hotel Bar and Restaurant with 2,032, U.S. Mint, 1921 Morgan Silver Dollars embedded in the top of the bar.

The world-famous Cowboy Bar, across from the Town Square, has a restaurant and pool tables and has unique bar stools that are saddles.

JACKSON'S SNAKE RIVER BREWPUB IS "JACKSON'S LIVING ROOM"

JACKSON, WY – Relive your Teton adventure with an award winning beer and delicious meal to match at the Snake River BrewPub. They offer a seat for everyone, from the kiddos to the shredders to the lifelong adventurers. Local or visitor, live the Jackson life and unwind with friends at the BrewPub, "Jackson's Living Room."

At the BrewPub, you will find reasonably priced food items from sandwiches to pizzas to pastas and beyond with a kids' menu to match. Their head chef sets a high standard in the kitchen. Nearly everything is handmade. All of the breads and desserts are created in house using only 100 percent organic flour.

The Snake River Brewery and the Brewpub inhabit an old cinder block building that was previously the base of operations for a Coca-Cola distributor. It seemed to be the perfect spot for Wyoming's first brewpub. The owners wanted an open industrial look, with lots of light and exposed steel beams. The brewing equipment and wood burning oven would be the artwork.

The concept was to create a restaurant and brewing space that was open to the customers to draw guests into the process of making beer. They wanted a simple and unpretentious neighborhood watering hole for locals to gather and Jackson Hole tourists to taste beer from the Great State of Wyoming. From the beginning, they were determined to create a brewpub building that was architecturally excellent in style and offered excellent food and beer. The Snake River

Brewery is located at 265 S. Millward Street in the town of Jackson, Wyo. It is only a few blocks away from the famous town square and walking distance from downtown Jackson hotels.
