

# JACKSON'S SNAKE RIVER BREWERY IS "JACKSON'S LIVING ROOM"

JACKSON, WY – Relive your Teton adventure with an award winning beer and delicious meal to match at the BrewPub. They offer a seat for everyone, from the kiddos to the shredders to the lifelong adventurers. Local or visitor, live the Jackson life and unwind with friends at the BrewPub, "Jackson's Living Room."

At the BrewPub, you will find reasonably priced food items from sandwiches to pizzas to pastas and beyond with a kids' menu to match. Chef Ryan Brogan has set a high standard in the kitchen. Nearly everything is handmade. All of the breads and desserts are created in house using only 100 percent organic flour.

The Snake River Brewery and the Brewpub inhabit an old cinder block building that was previously the base of operations for a Coca-Cola distributor. It seemed to be the perfect spot for Wyoming's first brewpub. The owners wanted an open industrial look, with lots of light and exposed steel beams. The brewing equipment and wood burning oven would be the artwork. They decided to plan for quality, substance and longevity. They knew that Jackson Hole's citizens would judge them on the quality of the beers and food. The mission statement became, "The world doesn't need another beer, but a better beer!"

The concept was to create a restaurant and brewing space that was open to the customers to draw guests into the process of making beer. They wanted a simple and unpretentious neighborhood watering hole for locals to gather and Jackson Hole tourists to taste beer from the Great State of Wyoming. From the beginning, they were determined to create a brewpub building that was architecturally excellent in style that offered excellent food and beer. The owners felt strongly about the quality of workmanship in the restaurant, from its beautiful windows and ceiling to its mahogany curved bar.

Jackson Hole is widely known for its abundant outdoor recreational opportunities. From skiing to fly fishing, from mountaineering to wildlife viewing and from biking to dog sledding, there is no shortage of activity for those who are afflicted with the desire to test their limits in the outdoors.

The brewery employees generally share two passions: love of the outdoors and a deep enthusiasm for craft beer. The natural environment and the Snake River Brewery working environment have combined to keep the staff pleasantly incarcerated in the little mountain "hole" that they call home.

The Snake River Brewery is located at 265 S. Millward Street

in the town of Jackson, Wyo. It is only a few blocks away from the famous town square and walking distance from downtown Jackson hotels.
