Holiday Haus Motel and Hostel

Holiday Haus Motel (please see their ad on page 3) underwent a major renovation in the summer of 2011. Guests have witnessed an impressive transformation in which their 15 modest rooms were renovated into lovely historical-interest spaces. Most rooms are equipped with gas fireplaces, mini-fridges and microwaves. An outdoor hot tub with a completely re-built and re-painted deck is a nice place to relax after a day on the slopes.

All Holiday Haus motel rooms are theme decorated with archival photos and posters from the beginning days of Mammoth Lakes and the ski area.

A few years ago, Holiday Haus opened the "Casitas." They are perfect for a family trip. They have one king bed, pull out couch and full kitchen. The Casitas were opened for the 2015-16 season and provide great space for family and friends at reasonable prices.

Their new double-king chalet is the ultimate lodging facility with two king bedrooms, fold out couch in the living room and master bedroom. It also has two baths, a dining room and full kitchen.

For one of the most impressive hostel-type accommodation you will find in a ski town, check out their brand new European style hotel and modern hostel. In addition to the bedrooms, it has a large communal kitchen, TV lounge and reading area.

The property is located about a five-minute walk from the Village at Mammoth, which is the access point for the Village Gondola to Mammoth's Canyons base lodge. The free bus service is conveniently located steps away on Main Street.

In winter 2018-19 Holiday Haus became affiliated with the Edelweiss Lodge (<https://edelweiss-lodge.com>) and The Tree House (www.mammothtreehouse.com) rental units. Each of these new properties are beautifully appointed and perfect for families and large groups.
