If you are new to skiing and snowboarding, Sierra is the place for you. Sierra-at-Tahoe offers lessons in a hassle-free environment, where guests will feel comfortable trying the sport and, most importantly, enjoying it. An entire mountain zone is dedicated to learning, with two carpets, a high-speed quad and a Learn to Ski or Ride Center. Instructors are trained to anticipate the needs of first timers and are certified within the program to instruct on sculpted, contour-based Smart Terrain, specially designed to help learn turning and gliding. Through this program, Sierra aims to fuel a newfound passion for snow sports in newcomers.

Once you have mastered your first turns, grab your next lesson or ticket online. It is as easy as click, buy, save. Once you have locked in your experience at an incredible price, swing by the Sierra Store, located conveniently in the heart of South Lake Tahoe. At this easy-to access location, you can pick up your lift tickets as well as some awesome new gear before even getting to the hill. Now when you arrive at the mountain, you can head straight for the lifts without needing to stop by the ticket window. Time is precious; you should be enjoying it.

No stranger to emerging food trends, Sierra is continually revamping its culinary offerings to create menus focused around the latest and greatest in the culinary world. This season, Sierra will continue to source sustainable, healthier food options in the Solstice Eatery, with the hungry snowsport enthusiast in mind. Other delicious options, such as the mountaintop 360 Smokehouse BBQ and the beach-like atmosphere at West Bowl's Baja Grill, will keep your tummy happy and ready to tackle whatever conditions the mountain throws at you.

Sierra-at-Tahoe makes it easy on your wallet when you want to take your family on vacation. Sierra's Learn to Ride program gives first time skiers and snowboarders rentals, a lesson and a lift ticket for less than \$150. ## HOTEL BECKET HAS MODERN AMENITIES and a GREAT RESTAURANT

SOUTH LAKE TAHOE, CA – Hotel Becket is a place that brings the best of South Lake Tahoe together as one. Just steps from the Heavenly Village gondola and close to downtown nightlife, the hotel is central to some of the world's greatest outdoor activity, from lakeshore to mountaintop. The Becket is born out of the union of two distinct, boutique hotel properties. For business or pleasure, or both, this is the finest in true Tahoe Style.

### The Location

Hotel Becket is conveniently located across the street from Heavenly Village for access to more than 4,800 acres of excellent skiing and snowboarding. The scenic shoreline and crystal clear water of Lake Tahoe, where guests have entry to a private beach, is a short walk from the hotel.

The casino nightlife of Nevada is two blocks away for gaming and live entertainment by national and international performers. The nearby casinos are larger and more exciting than their counterparts on the North Shore. They offer more table games and a larger variety of machines, larger poker rooms and larger entertainment venues with bigger acts.

The Shops at Heavenly Village at the base of the Heavenly Gondola are across the street from the hotel. They are the place to go for the latest trends in food, fashion and fun. Experience Lake Tahoe's best shopping venue with local and national brands, popular restaurants, and an eight-plex cinema. On the other hand, try ice skating or mini golf at the seasonal outdoor pavilion.

### The Accommodations

All guest rooms at Hotel Becket offer a warm sense of home. The contemporary rooms feature handcrafted architectural details such as recycled barn wood doors, as well as custom artwork reminiscent of the mountain lakes found throughout the Sierra. Contemporary rooms also have a warm color palette with a pop of color – hot pink and mustard yellow – that was inspired by the vibrancy of South Lake Tahoe. Luxurious Tempur-Pedic beds are highlighted by custom-designed headboards and nightstands.

In contrast, the rustic accommodations are designed to eco-friendly standards, creating a unique juxtaposition to the contemporary rooms. Combining a modern rustic décor with sustainable materials, these accommodations feature handmade furnishings crafted from reclaimed Douglas Fir

from an old Nevada mine, recycled glass and blue denim insulation, plus zero-VOC paints, organic linens and natural patinas.

### The Features

Guest services and programs at Hotel Becket also reflect the nature and seasonality of the Sierra. After a day outdoors, pamper yourself in the indoor hot tub and sauna.

### Ten Crows Restaurant

After a day of adventures in the mountains, guests can refuel at Ten Crows Restaurant serving southern barbecue based on Alabama Fire Pit cooking featuring local craft beers in a fun, animated setting. An indoor-outdoor bar connects the restaurant to an expansive outdoor terrace, complete with games and fire pits for a relaxed, social atmosphere. In addition, throughout the winter, special après ski offerings are available, such as a hot chocolate bar featuring a selection of sweet and savory toppings as well as non-alcoholic and cordial options. Imagine relaxing around a

fire pit with a hot beverage after a hard day on the slopes or sipping cocktails at the informal, stylish bar before dinner.

### Corporate Meeting Space

Hotel Becket also offers approximately 1,000 square feet of group and meeting space with multi-function breakout rooms. Executive and corporate groups will be able to participate in a unique set of breakout programs and activities specially designed for the hotel that draw from the surrounding environment to inspire creativity.
