

The WOODSTOCK INN BREWERY in NORTH WOODSTOCK and The HOLIDAY INN EXPRESS, in LINCOLN, NH TWO GREAT PROPERTIES NEARBY to EVERYTHING

Continued from Page 4

Woodstock Inn Brewery

How about having a couple of fresh brewed beers and not having to be concerned about driving back to your hotel room? That is one of the benefits of staying at the Woodstock Inn Brewery. What a great concept. Add to that bar games, great food and you have a recipe for success.

Woodstock Inn Brewery is a multifaceted tourist destination at the basecamp of the White Mountains in North Woodstock, N.H.

For over 40 years, visitors have been drawn to the all-inclusive location, which features an inn with over 40 uniquely styled rooms, suites, and houses. It also includes an award-winning restaurant serving breakfast, lunch and dinner, multiple bars and live entertainment.

The Brewery is the highlight of the business. What started as a brewpub in 1995 has expanded over the years and now includes a new state-of-the-art 30-barrel production facility, installed in the spring of 2023. Tours are available every day at noon.

“Welcoming locals and visitors to our corner of New Hampshire is what we love to do,” said Scott Rice, owner of Woodstock Inn Brewery. “We can’t wait to introduce our wonderful property to new friends and families and to see those returning for another experience with us.”

Scott added, “When I look back on how our business has

grown since we opened, I think about all of the dedicated employees who helped us get here. Our customers are special, too. I never imagined people would be taking our beer with them to do things like hike a mountain to celebrate their accomplishment at the top, and then tag us in the photo. We are fortunate.”

With so much to offer, Woodstock Inn Brewery is the ideal location for your destination, whether it is a wedding, corporate event, special party or a spur-of-the-moment getaway. With signature beers, award-winning food, entertainment and all of the beauty of New Hampshire to share, all that is missing is you.

Holiday Inn Express, Lincoln

The renovated hotel earned their new name with a beautiful remodel. Since transitioning from the Comfort Inn, and then the Express Suites, everything has been upgraded at the Holiday Inn Express from the Free Express Start Hot Breakfast Bar to the bedrooms.

The hotel is easily located off of Exit 32, left on Hwy 112 (The Kancamagus Highway) and at the next light, Railroad St., make a left. You will find the hotel quietly nestled a few hundred yards back from the highway on your left. It is also convenient to the famed Ice Castles. The slopes are ten minutes away.

Find Express essentials like their real breakfast of champions, the kind that is complimentary and waiting for you every morning. They have a whole buffet full of offerings ready to help kick start your day.

Recharge in their recently renovated rooms and power up while you power down. You will find bedside power outlets to recharge your devices and a pick of pillows and a plush duvet with a quiet place to settle down so you can recharge yourself for your next day on the slopes.

PATS PEAK IS DAY and NIGHT FUN in HENNIKER, NH

HENNIKER, NH – The 2023-24 season at Pats Peak in Heniker, N.H., marks their 61st consecutive year under the same local family ownership. They offer day and night skiing, snowboarding, and snowtubing, catering to all ability levels with various trails, terrain parks, and a snowtubing park. With 100 percent snowmaking coverage, they provide great snow conditions all season.

Pats Peak is also a great place for beginners with ski and snowboard lessons available. When the sun sets, night skiing and snowboarding light up all the main mountain trails, making it one of Northern New England’s largest night skiing facilities.

Do not miss the Saturday Night POP (Pay One Price) deal starting on Dec. 30, 2023, through the end of the season, including skiing, snowboarding, tubing, rentals, lessons, tips, and entertainment. Special POP Goes February Vacation Weeks are available during school vacation weeks from Feb. 17 to March 2 (except Sunday, Feb. 25). Group discounts for POP are available for groups of 15 or more with advanced reservations through Pats Peak Group Sales.

Great Programs for Beginners

The Passport Program is for beginner skiers or snowboarders, where they can earn a free season pass, and free pair of new Elan skis or free Elan snowboard, depending on which program is purchased. This pre-paid program can be purchased for \$649 by guests ages 18 and up, and it includes four lift tickets, lesson and rental packages. Limited quantities are available. Pats Peak has collaborated with five ski shops to provide a shop for participants to receive discounts on boots and accessories.

The 2023-24 capital improvements are designed to enhance every aspect of the Pats Peak experience, from the moment visitors arrive until the last exhilarating run down the slopes. The key enhancements include:

Pats Peak Ski Team Training Advancements: The Pats Peak Ski Team will have an elevated training experience with a brand-new Race Training Area. This training area has snowmaking capabilities, night lighting for evening training sessions, and the integration of three dedicated training lanes. Additionally, a specially designed smaller trail, nestled in the woods near the training lanes, will cater to intensive drills.

State-of-the-Art Mountain Operations Facility: A new 6-bay mountain operations facility brings state-of-the-art capabilities to the Mountain Operations Team. This transformative multi-year project replaces a 60-year-old outdated wooden structure. This energy-efficient and modern building will serve as the new facility to support their operations team, covering a spacious 12,000 square feet.

Upgraded Snowmaking Technology: Pats Peak’s commitment to superior snow quality will be further reinforced through the implementation of cutting-edge and energy-efficient snowmaking technology on FIS Race Trail to make snow faster for race athletes. These enhancements will provide exceptional snow conditions throughout the season, ensuring optimal skiing and riding experiences.

Optimal Night Visibility: The East Wind trail received a night lighting facelift with all new poles, wires, and LED lights. The new lighting system is designed to optimize visibility on the ski trail with strategically positioned lights along the trails. Skiers can enjoy improved visibility of their surroundings, enabling them to navigate the slopes with confidence and ease.

Energy-efficient LED lighting technology has been implemented in this new lighting system, reducing power consumption, and minimizing their carbon footprint without compromising the quality of illumination.

Advanced Technology of New Rental Equipment: The addition of over 400 pairs of new skis, 500 pairs of boots and 200 snowboards for the Starting Gate Rental Shop further elevates the enjoyment for their guests’ skiing and snowboarding adventures. These new skis and snowboards offer cutting-edge technology, ensuring an unforgettable experience on the slopes. Pats Peak understands that the right equipment is crucial to enhancing the skiing experience for both seasoned enthusiasts and beginners alike.

Pats Peak is only 20 minutes from Concord, 40 minutes from Manchester and 90 minutes from Boston.
