HIGHLIGHTS of SHAWNEE MOUNTAIN for the 2024-25 SEASON

SHAWNEE-ON-DELAWARE, PA – Shawnee Mountain is excited to share some of the great upgrades and initiatives for the 2024-25 season that will enhance your experience on the slopes. From improved snowmaking capabilities to new sustainability efforts, this season is set to be one of the best yet.

Snowmaking Upgrades

The resort has made significant investments in the snow-making system to ensure consistently excellent conditions all season long. With newly upgraded snow guns and enhanced water and air lines, they can now produce higher-quality snow more efficiently. These improvements mean better coverage, faster recovery after warm spells and the ability to open trails earlier in the season. Whether you are a beginner or an advanced skier, you will notice the difference in the quality of snow on the mountain this year.

New Rental Equipment

Shawnee has invested in new skis, snowboards and boots from leading brands, providing greater comfort and performance on the slopes. Whether you are a first-timer or a seasoned skier looking to travel light, the new equipment will help ensure a safe and enjoyable ride every time.

Upgraded D and E Lifts

The mountain is also excited to announce upgrades to the D and E Lifts. The Lift team spent a significant portion of the summer rebuilding the bottom terminals, as well as sandblasting and painting them.

Sustainability Efforts

At Shawnee Mountain, they recognize the importance of preserving the environment and ensuring the long-term sustainability of the ski industry. That is why they have entered into a new four-year agreement with ENGIE, a global leader in renewable energy solutions. Through this partnership, they
