There are no mountain passes, tunnels or four lanes of bumper-to-bumper traffic. Once in Jackson, their public bus system, named START, allows for efficient and affordable travel between the town of Jackson and the ski area at Teton Village. Kings and Queens of Corbet's - Sat. Feb. 6 to Sat. Feb. 13

No ski resort in North America has a chute as legendary as Corbet's Couloir. It is a crucible where skiers go to prove their mettle, or more often, to retreat in fear. The run is named for Barry Corbet, a mountaineer who in 1960 spotted a narrow crease of snow shaped like an upside-down funnel, high up on Jackson Hole. Author Christopher Stenner wrote that Corbet remarked, "Someday someone will ski that."

The 2027 Kings and Queens of Corbet's event is set for Sat., Feb. 6, to Sat., Feb. 13, 2027. Qualifying skiers and riders will test their grit and flash their style. The event will be showcased on JHMR's website when completed.

Jackson Hole is known for its challenging terrain. However, did you know they are also ranked highly by many for terrain variety? Rolling groomers, adventurous kids stash parks, and uncrowded long runs are there, too.

They have never been complacent at JHMR, and in the last several years, they have prioritized improving the intermediate ski and snowboard experience to give their guests a large variety of terrain to enjoy.

The elk stay in the refuge through the spring when food in their higher habitat becomes more abundant.

The sleigh rides into the elk herd are available via a private contractor, Double H Bar, Inc.

Call 307-733-0277 to book your ride. It is really cool.
