#### Kings and Queens of Corbet's 2022

No ski resort in North America has a chute as legendary as Corbet's Couloir. It is a crucible where skiers go to prove their mettle, or more often, to retreat in fear.

The run is named for Barry Corbet, a mountaineer who in 1960 spotted a narrow crease of snow shaped like an upside-down funnel, high up on the mountain now known as Jackson Hole. Author Christopher Stenner wrote that Corbet remarked, "Someday someone will ski that."

The Kings and Queens of Corbet's event is set for Feb. 11-18, 2022. Watch in-person or view it online at [www.jacksonhole.com/kings/queens/corbets](http://www.jacksonhole.com/kings/queens/corbets)

#### Intermediate Terrain

Jackson Hole is known for its challenging terrain. But did you know they are also ranked highly by many for terrain variety? Rolling groomers, adventurous kids Stash Parks, and uncrowded long runs are all there also. They have never been complacent at JHMR and in the last few years, they prioritized improving the intermediate ski and snowboard experience to give their guests a large variety of terrain.

In 2016, the resort added the Sweetwater Gondola, their second. In 2018, they opened Solitude Station with 12,000

square feet dedicated to their Mountain Sports School for children 7 years and older and adult lessons for all ability levels.

#### Mountain Sports School

This winter, Mountain Sports School is prioritizing health and safety through new offerings with more individualized attention, smaller classes and protocols for a safe learning environment.

#### Off Mountain Adventure

If you want a wildlife experience, look no further than the north edge of Jackson at the National Elk Refuge where thousands of elk winter in the refuge.

The elk begin their migration out of the high meadows in the fall, usually after the first snowstorm. They stay in the refuge through the spring, when food in their higher habitat becomes more abundant.

The sleigh rides into the elk herd are available via a private contractor, Double H Bar, Inc. The National Elk Refuge also offers educational and daily programs at the Jackson Hole and Greater Yellowstone Visitor Center. Call (307) 733-0277 to book your ride.

There is a winter adventure for everyone in Jackson. You can visit Yellowstone National Park by snowmobile, or hike or snowshoe in Grand Teton National Park. Both are unique, scenic and great winter attractions. From fly fishing on the Snake River, to snow skiing at Jackson Hole, the area offers some of the best winter experiences in the world.
