

JACKSON HOLE HAS ACCESS with 13 NON-STOP CITIES, FLIGHT CREDIT SAVINGS and GOLDEN TICKET – In EARLY JAN., THEY HAD MORE THAN 250 INCHES of SNOWFALL

Publisher's Note: As 2023 began, Jackson Hole Mountain Resort (JHMR) was battling Alta for the U.S. snowfall lead. This could be another 500-inch year for JHMR and both resorts are on their way to breaking records. Have fun!

TETON VILLAGE, WY – Take an awesome ski resort with fabulous terrain for any ability, add many recent winters of more than 500 inches of powder and a Golden Ticket promotion that takes half off your daily ticket, and it becomes more awesome. Combine that with non-stop flights from 13 major U.S. cities: Atlanta, Chicago, Dallas, Denver, Houston, LA-LAX, Miami, Newark, NY-LGA, Salt Lake City, San Diego, San Francisco and Seattle. You can earn up to a \$400 airfare credit when you book by calling 1-888-838-6661. There are many incentives that provide more reasons to visit JHMR.

The Golden Ticket Strikes Again

Skiers and snowboarders who own a valid 2022-23 winter resort season pass anywhere in the world can come to JHMR, aka The Big One, and receive a very special rate. Travel to Jackson Hole between March 14 to April 9, 2023, and receive a 50 percent discount on lift tickets based on the current daily window rate. Lift tickets are subject to availability, as daily capacity will be limited this year.

Advanced purchasing is highly recommended for this deal. For the details on this great deal, visit: www.jacksonhole.com New High-Speed Thunder Quad

Jackson Hole once again upgraded their lift system as they replaced their regular speed Thunder Quad with a high-speed quad. The result will be easier and faster access to the famed Laramie Bowl as well as the Grand Trail to the Sublette Quad. It will also make access quicker to the Amphitheater area.

Getting to Jackson Hole Mountain Resort

Jackson Hole Airport (JAC) is the only commercial airport in the United States located within a national park, Grand Teton. Upon arrival at the airport, you are an easy 36-minute drive to the mountain resort by car, taxi or rental car. There are no mountain passes, tunnels or four lanes of bumper-to-bumper traffic.

JACKSON HOLE, WY - The new Thunder high-speed detachable quad is double the speed of the old Thunder lift, cutting the 1,450 foot vertical ride time in half to only 3.5 minutes. This means that you will maximize your time on-snow. As JHMR athlete Jim Ryan puts it, "on an excellent day, you never really felt like you got enough. Now, I feel like I might finally be satisfied." Everyone can relate, Jim. See you on the trails serviced by the new Thunder high-speed quad.

Once in Jackson, their public bus system, named START, allows for efficient and affordable travel between the town of Jackson and the ski area at Teton Village. Rental car agencies are plentiful, as are taxis in the town of Jackson.

Kings and Queens of Corbet's - Feb. 4 to Feb. 11

No ski resort in North America has a chute as legendary as Corbet's Couloir. It is a crucible where skiers go to prove their mettle, or more often, to retreat in fear. The run is named for Barry Corbet, a mountaineer who in 1960 spotted a narrow crease of snow shaped like an upside-down funnel, high up on Jackson Hole. Author Christopher Stenner wrote that Corbet remarked, "Someday someone will ski that."

The 2023 Kings and Queens of Corbet's event is set for Sat., Feb. 4, to Sat., Feb. 11, 2023. Qualifying skiers and riders will test their grit and flash their style. The event will be showcased on JHMR's website when completed, log on to see the show.

Intermediate Terrain

Jackson Hole is known for its challenging terrain. However, did you know they are also ranked highly by many for terrain variety? Rolling groomers, adventurous kids stash parks, and uncrowded long runs are there, too. They have never been complacent at JHMR and in the last few years, they prioritized improving the intermediate ski and snowboard experience to give their guests a large variety of terrain to enjoy.

Mountain Sports School

This winter, Mountain Sports School is again prioritizing health and safety through new offerings with more individualized attention, smaller classes and protocols to provide a safe learning environment. For a full list of safety FAQs for this winter, visit their FAQ page at: www.jacksonhole.com/winter-faq.html#mss

Jackson Hole Rendezvous Festival

The Jackson Hole Rendezvous is a spring lifestyle and music festival providing the most iconic backdrops imaginable for the legendary music acts. The events will take place in the historic downtown Jackson Town Square on Friday, March 31, and at the base of Jackson Hole Mountain Resort on Saturday, April 1, 2023. Log on to www.jacksonhole.com for the participating bands and other fun.

Off Mountain Adventure

If you want a wildlife experience, look no further than the north edge of Jackson at the National Elk Refuge where thousands of elk winter.

The elk begin their migration out of the high meadows in the fall, usually after the first snowstorm. They stay in the refuge through the spring when food in their higher habitat becomes more abundant.

The sleigh rides into the elk herd are available via a private contractor, Double H Bar, Inc. The National Elk Refuge also offers educational and daily programs at the Jackson Hole and Greater Yellowstone Visitor Center. Call 307-733-0277 to book your ride. It is really cool.

THE SNAKE RIVER BREWPUB

Relive your Teton adventure with an award winning beer and delicious meal at the Snake River BrewPub. They offer a seat for everyone, from the kiddos to the riders and the lifelong adventurers. Local or visitor, live the Jackson life and unwind with friends at the BrewPub known as "Jackson's Living Room."

At the BrewPub, you will find reasonably priced food items from sandwiches to pizzas to pastas and beyond with a kids' menu to match. Their head chef sets a high standard in the kitchen. Nearly everything is handmade. All of the breads and desserts are created in house using only 100 percent organic flour.

The Snake River Brewery and the Brewpub inhabit an old cinder block building that was previously the base of operations for a Coca-Cola distributor. It seemed to be the perfect spot for Wyoming's first brewpub. The owners wanted an open industrial look with lots of light and exposed steel beams. The brewing equipment and wood burning oven would be the artwork. Their major recent remodel adds to this.

The concept was to create a restaurant and brewing space that was open to the customers to draw guests into the process of making beer. They wanted an unpretentious neighborhood watering hole for locals to gather and tourists to taste beer from the Great State of Wyoming. They were determined to create a brewpub building that was architecturally excellent in style and offered excellent food and beer.

The Snake River Brewery is located at 265 S. Millward Street in the town of Jackson, Wyo. It is only a few blocks away from the famous town square and walking distance from downtown Jackson hotels.

This is a must stop for après ski or just to enjoy happy hour. You may just meet a real cowboy or cowgirl in Jackson's Living Room, the Snake River BrewPub.

You can learn more about the pub and brewery, their beers, the menu and much more including their recent renovations, at: www.snakeriverbrewing.com
