

HOTEL BECKET HAS MODERN AMENITIES in the CENTER of SOUTH LAKE TAHOE

SOUTH LAKE TAHOE, CA – Hotel Becket is a place that brings the best of South Lake Tahoe together as one. Just steps from the Heavenly Village gondola and close to downtown nightlife, the hotel is central to some of the world's greatest outdoor activities, from lakeshore to mountaintop. The Becket is born out of the union of two distinct, boutique hotel properties. For business or pleasure, or both, this is the finest in true Tahoe Style.

The Location

Hotel Becket is conveniently located across the street from Heavenly Village for access to more than 4,800 acres of excellent skiing and snowboarding. The scenic shoreline and crystal-clear water of Lake Tahoe, where guests have entry to a private beach, is a short walk from the hotel.

The casino nightlife of Nevada is two blocks away for gaming and live entertainment by national and international performers. The nearby casinos are larger and more exciting than their counterparts on the North Shore. They offer more table games and a larger variety of machines, larger poker rooms and larger entertainment venues with bigger acts.

The Shops at Heavenly Village at the base of the Heavenly Gondola are across the street from the hotel. They are the place to go for the latest trends in food, fashion and fun. Experience Lake Tahoe's best shopping venue with local and national brands, popular restaurants, and an eight-plex cinema. On the other hand, try ice skating or mini golf at the seasonal outdoor pavilion.

The Accommodations

All guest rooms at Hotel Becket offer a warm sense of home. The contemporary rooms feature hand-crafted architectural details such as recycled barn wood doors, as well as custom artwork reminiscent of the mountain lakes found throughout the Sierra. Contemporary rooms also have a warm color palette with a pop of color – hot pink and mustard yellow – that was inspired by the vibrancy of South Lake Tahoe. Luxurious Tempur-Pedic beds are highlighted by custom-designed

headboards and nightstands.

In contrast, the rustic accommodations are designed to eco-friendly standards, creating a unique juxtaposition to the contemporary rooms. Combining a modern rustic décor with sustainable materials, these accommodations feature hand-made furnishings crafted from reclaimed Douglas Fir from an

old Nevada mine, recycled glass and blue denim insulation, plus zero-VOC paints, organic linens and natural patinas.

The Features

Guest services and programs at Hotel Becket also reflect the nature and seasonality of the Sierra. After a day outdoors, enjoy snacks and beverages with friends around the fire pits on the outside terrace.

Now as a Best Western Signature Collection Hotel, the property is nicely enhanced.
