Getting to Jackson Hole Mountain Resort

Jackson Hole Airport (JAC) is the only commercial airport in the United States located within a national park, Grand Teton. Upon arrival at the airport, you are an easy 30-minute drive to the mountain resort by car, taxi or rental car.

There are no mountain passes, tunnels or four lanes of bumper-to-bumper traffic. Once in Jackson, their public bus system, named START, allows for efficient and affordable travel between the town of Jackson and the ski area at Teton Village. Rental car agencies are plentiful, as are taxis in the town of Jackson.

Kings and Queens of Corbet's - Feb. 7 to Feb. 14

No ski resort in North America has a chute as legendary as Corbet's Couloir. It is a crucible where skiers go to prove their mettle, or more often, to retreat in fear. The run is named for Barry Corbet, a mountaineer who in 1960 spotted a narrow crease of snow shaped like an upside-down funnel, high up on Jackson Hole. Author Christopher Stenner wrote that Corbet remarked, "Someday someone will ski that."

The 2026 Kings and Queens of Corbet's event is set for Sat., Feb. 7, to Sat., Feb. 14, 2026. Qualifying skiers and riders will test their grit and flash their style. The event will be showcased on JHMR's website when completed. Log on to see the show and recap at www.jacksonhole.com

Intermediate Terrain

Jackson Hole is known for its challenging terrain. However, did you know they are also ranked highly by many for terrain variety? Rolling groomers, adventurous kids' stash parks, and uncrowded long runs are there, too.

They have never been complacent at JHMR, and in the last several years, they have prioritized improving the intermediate ski and snowboard experience to give their guests a large variety of terrain to enjoy.

Jackson Hole Rendezvous Festival

The Jackson Hole Rendezvous is a spring lifestyle and music festival providing the most iconic backdrops imaginable for the legendary music acts.

Off Mountain Adventure

If you want a wildlife experience, look no further than the north edge of Jackson at the National Elk Refuge where thousands of elk winter.

The elk begin their migration out of the high meadows in the fall, usually after the first snowstorm.

They stay in the refuge through the spring when food in their higher habitat becomes more abundant.

The sleigh rides into the elk herd are available via a private contractor, Double H Bar, Inc. The National Elk Refuge also offers educational and daily programs at the Jackson Hole and Greater Yellowstone Visitor Center.

Call 307-733-0277 to book your ride. It is really cool.
