SIERRA NEVADA RESORT – A TIMELESS LEGACY, NOW MAMMOTH’S NEWEST RESORT

MAMMOTH LAKES, CA – Capturing the hearts and memories of guests for over 50 years, Sierra Nevada Resort & Spa is a living legend that continues to inspire in the heart of Mammoth Lakes. The newly re-freshed resort is located in the beautiful Sierra Nevada, only 40 miles from the Tioga Pass entrance to Yosemite National Park. Originally built in 1967 by Jerry Buss, a major real estate developer and owner of the Los Angeles Lakers basketball team, the hotel quickly became a favorite getaway spot for Hollywood’s brightest lights over the decades. If the resort’s walls could talk, they would share stories of famed guests such as John Wayne, the “Rat Pack” and Jerry Lewis hanging out in Duke’s Bar, cracking jokes and drinking scotch until the wee hours of the morning.

In 2022, Sierra Nevada Resort is proudly re-debating as the newest rustic cozy resort in Mammoth Lakes, welcoming guests in to create new legacies for decades to come.

Where Historic Charm Meets Rustic Luxury

For decades, Sierra Nevada Resort & Spa has forged a rich history in Mammoth Lakes, Calif., as a favored getaway for families, couples, and Hollywood stars alike — and now is proudly re-debating with enhancements for the modern traveler. Guests will step into an experience where historic charm meets serenity, all centrally located on a six-acre respite just south of the main thoroughfare of downtown, with convenient access to Mammoth Mountain Ski Area, Mammoth Lakes Hiking Trails, the east gate of Yosemite National Park and the Bishop Airport. Guests are welcomed back as Sierra Nevada Resort & Spa continues paving its legacy, offering the newest accommodations and more amenities than any other resort in the region, including Black Tie Ski Rentals, in-room spa services, fire pits and more.

Enveloped by the scenic luxuries of natural beauty and time together, Sierra Nevada Resort & Spa engages the senses and transports guests into a ski resort state-of-mind

with its cozy accommodations, no matter where a day of adventures takes them. The resort’s newly appointed rooms offer an array of ways to unwind after a busy day. Some travelers prefer to stay in the thick of it, staying in deluxe rooms. Other guests prefer to embrace nature, booking the chalets or private cabins (debuting spring 2023), capturing the essence of the lodge with a bit more privacy. For some, cozy nights by the crackling fire are the most important element of a trip, making the fireplace suites the ideal accommodation option. No matter where guests choose to stay within the resort, the accommodations guarantee an escape that is comforting, thoughtful, and serene.

The Majesty of Mammoth Lakes

At the intersection of wilderness and the spirit of California, you will find Mammoth Lakes. As the newest resort in the region, Sierra Nevada Resort & Spa provides access to the many wonders Mammoth has to offer. Here, guests connect and enjoy a world-class ski resort at Mammoth Mountain, National Park access to Yosemite and natural beauty as far as the eye can see.

From expansive valleys to crystal clear mountain lakes, this year-round destination offers endless opportunities for adventure. Year-round, travelers journey from all over the world to experience excellent snowboarding and skiing in the winter, hiking in the spring, boating in the summer and leaf peeping in the fall.

Book now to visit the award-winning Sierra Nevada Resort & Spa, a recreational, spa and culinary destination, set in magnificent Mammoth Lakes.
